

At A Distance Together

CREATIVE TASK

For our latest task we have invited Associate Artist Najma Abukar, to offer us up some creative inspiration.

WHAT TO DO

STEP 1:

A Place – Take a photo of a place that means something to you. This place can be anywhere. It can be a park you like to go to. It can be a particular room in your home like the kitchen, bedroom, living room...anywhere that brings you joy, you feel safe and comfortable. A place you like to visit (this can be the outside of a building or area of the city).

STEP 2:

A Person – Take a photo of a person. This person can be anyone; a member of your family, a loved one, a stranger/someone you recently met (please, always ask permission before taking a photo!).

You can be as creative as you want with both tasks. For example: you can take a close-up or detailed photo of the place or person (eyes, hands, hair, the back of the person, their shoes, their clothes...anything that represents that person).

Have fun with it!

And finally, think about the two questions as a way to finish off our tasks.

What are you looking forward to the most once life goes back to 'normal'? And what are you grateful for?

ABOUT THE PROJECT

With many people in our communities in isolation, A Moment's Peace Theatre wanted to offer our regular groups a chance to stay connected and continue to be supported creatively during these challenging times.

At A Distance Together will see us work with associate artists, creating & sharing fortnightly creative tasks, some respond directly to what is happening in our lives at the moment, some an exploration of imaginative spaces. They are entirely optional to undertake, and they can be shared with us or just kept as personal creative activities for the everyday.

We will also be hosting monthly live online creative workshops. offering our groups a chance to reconnect and continue to engage in live creative activities, whilst we are unable to meet in person.
